

**Marlborough Rural North & East  
Neighbourhood Policing Team  
Tackling Speeding in your area.**

**Please find Attached 2 Stickers funded by  
Wiltshire Community Safety Partnership.**

**These are designed to be  
placed on your wheelie bin.**

**These have been distributed to some but not  
all residences in areas that  
historically have a problem  
With speeding motorists.**

**The idea is that on bin days in these streets  
drivers will see your signs on your bins  
Therefore reminding them of the speed limit.**

**Please do not place these stickers  
anywhere but on your Wheelie Bin.**

**Thank You**
