

Baydon Baby and Toddler Group Report – 30th April 2010

We are a small group at the moment but very friendly and welcoming, (we welcome children with their parents and carers aged nought to five). We have eight or nine families that attend regularly and a few more that come when they can. We do need to look at increasing numbers as we have five children who will go to school this year.

Financially, we are a stable group for at least the next 12 months, but if numbers do not increase we may to fundraise to pay the bills.

This last year we held a cake sale at the school and also did a sponsored toddle/picnic to raise funds for ourselves and the school building fund. We raised a fantastic £588, half of which we donated to the school.

This summer the children can look forward to a summer party/picnic and a toddler outing with the money raised.
