

St Nicholas Church, Baydon, Marlborough, Wiltshire SN8 2JS

What would Baydon do if the Church became unsafe to enter due to falling masonry or rotten wood?

Our Church is over 900 years old and just like all of us it shows signs of wear and tear as each year passes.

There are a group of people who tirelessly work to keep it in good repair but love alone is not enough to preserve this historical building.

We would very much like you to join us and help raise some money in a beneficial fun way.....

**We are holding a fun auction of promises
on Friday 31st March 2017
in Baydon St Nicholas' School hall**

We ask you to have a close look at what you may want to move out of your homes..... unwanted gifts maybe you could consider offering your skills or just offer some time to help to make this event as successful as possible.

Your help will be greatly appreciated and we very much look forward to hearing from you as soon as possible to make this another successful village event!

Please contact either Donni or Helen if you can offer anything.
