

Little Crickets Pre-School Fun Day

Little Crickets Pre-school would like to say a massive thankyou to everyone who supported our family fun day and made it such a success. With the sun shining down on us there was eating, games and lots of fun to be had by all. We would like to express our gratitude to everyone that donated raffle prizes and for all your contributions whatever form they took.

We raised a massive £1,191 and could not have done it without your support.

And finally well done to the winner of the Balloon race, Barney Bonner, whose balloon flew all the way to Bampton.
