

NEIGHBOURHOOD PRIORITIES

MARLBOROUGH RURAL /EAST NEIGHBOURHOOD POLICING TEAM NEWSLETTER
March 2010

Marlborough Rural East NPT

Welcome to the March edition of the Neighbourhood policing team bulletin.

Anti-social behaviour patrols are still being carried out by myself and my colleagues. There have been no reported incidents throughout the month of February. Lets hope that this can continue.

The next two police surgeries will be held in March by myself and I urge people to come along to discuss any concerns they may have in relation to our area that the police could help with. The priorities are set from information received from the surgeries and reports from residents. The dates are as follows:

- Aldbourne Library Police Surgery - March 8th at 6pm till 6:45pm
- Ramsbury Library Police Surgery -March 8th at 7pm till 7:45pm.

Message from the NPT Sergeant Ben Braine:

Just a brief update for you in respect of our series of rural crime, burglaries, thefts of motor vehicles and agricultural machinery, and thefts of heating oil in the Marlborough and Pewsey Community areas.

Inspector Noble, myself, and our Community Beat Managers remain committed to providing high visibility patrols at peak offence times across our community areas. Tonight for instance we have an extra four of us working through to 4am, and this will continue for several days. We have been running this targeted patrol scheme for several weeks now.

We have noted a sharp decrease in the overall number of offences being reported and believe this to be directly attributable to our increased presence in rural areas, and our tactics of proactively searching for and stopping all load carrying vehicles travelling through our areas.

Our intention at the outset was to prevent and detect crime, and to

interfere which the movements of travelling criminals, hopefully gaining valuable intelligence in the process.

On the night of the 23rd February a vehicle attempted to avoid Police Officers on the outskirts of Wootton Bassett, was abandoned, but following a search a male was subsequently arrested for going equipped to steal. The intelligence relating to the vehicle came from a farm in our community area when the vehicle was seen in suspicious circumstances there. The Farmer reported it, the intelligence was recorded immediately and led to this successful arrest. A quad bike was also recovered nearby and although believed to be connected to the arrested male we are unable to substantiate that.

We have also identified a suspect for theft of heating oil and are actively gathering intelligence on that individual.

Information has been provided to us in respect of cross border criminals from Thames Valley. We are aware of their vehicles and have added these to our list of patrol targets.

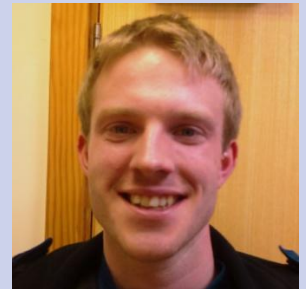

Whilst assuring you of the continued presence of Police patrols in your community areas it may be that you have noticed a slight reduction in the visibility of your Community Beat Manager. This will be solely due to their efforts directed towards combating rural crime during the early hours of the morning. At this time we are not sure how long we will have to continue with our high visibility rural patrols but you will still be able to contact your Beat Manager through the usual methods.

If you would like to be added to the email mailing list, or receive a hard copy please send me an email or leave a message on our NPT voicemail. My email address is: jonathan.mills@wiltshire.pnn.police.uk

Meet Your Teams

PC Jeremy Batchelor
CBM Marlborough
Rural East

PCSO Jonathan Mills
Marlborough Rural East

We are both based at Marlborough Police Station

We are further supported by a team of Special Constables, who all perform regular duties from Marlborough. We can be contacted at Marlborough by phoning:
0845 408 7000
EXT 739817.
Mobile: 07969 501963

Neighbourhood Watch Bulletin
