Hello All

Hope your summer is going swimmingly! I'm always a little wary of August - one always expects so much of it and it so rarely delivers! September (on the other hand) often delights - expectations aren't nearly so high and we seem to have a trend for 'Indian summers' lately. And, if you listen to my mother (the 'white witch of Slapton'), September is an auspicious month - it deriving from 'seventh' and was originally the seventh month in the Roman calendar until the 2nd century BC. And seven is supposed to be a lucky number.

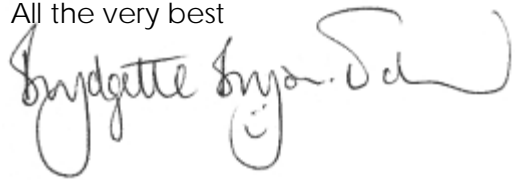

It's (apparently) also the seventh month of the astrological year so my Mother says. But then she would say it's an auspicious month - her birthday's in September! However, I'm still looking forward to lovely September auspiciousness!

The Scene Team are always on the look out for local stories, adverts and nuggets - please feel free to send anything you think might be of interest to those in Baydon. Either:

- email me at brydgette@email.com
- pop any items through my door at 5 Manor Lane, or
- drop copy into Debbie at the Shop who will pass it onto me for inclusion. If Debbie's not there - drop it in the Baydon Scene bag

See you in October in preparation for leaf sweeping, salt buying and the end of grass mowing (thank goodness) !

All the very best

Clergy letter...

Here we are in August, the month when school is out!

Somehow I can't think of holidays without the song words from Cliff Richard's film going round in my mind "We're all going on a summer holiday, no more working for a week or two, fun and laughter on our summer holiday, no more worries for me or you for a week or two"! Sometimes I think if only it was that easy!

About eight years before Jesus was born the Romans changed the name of this month from Sextilis, which means sixth, to Augustus in honour of the Roman Emperor Augustus Caesar because many of the important events in his life happened around that time of year. The Anglo-Saxons called it Weod monath, which means Weed month, because it is the month when weeds and other plants grow most rapidly!

Having experience April showers in May and June I am praying that August will be a month of sunshine and not showers for all who are having a break from work. We all need sunshine in our lives, we know people who suffer in the winter months from a lack of it, who get depressed and low because of short days and long dark nights.

Light is always available to each of us because that is what Jesus offers us – He is the Light of the World – so in a dark moment remember he is always there.

For those of you going on a summer holiday I pray it will be a time of rest and recuperation, filled with fun and laughter.

Rev'd Gandice Marcus

Church Roof - Fund Raising

People in the village have responded so positively to the church roof appeal - I thought it would be good to thank them through your pages in Baydon Scene and on the website. We have raised over £5000 so far as a result of the letters that went out to each house as well as the £443 from the quiz, thanks to all who supported and helped with the event - it is very encouraging especially in these difficult economic times, and the PCC are truly very grateful to all who have been so generous.

Thanks to those who have given so generously already we've had a positive response, a quick reminder to fill in your forms if you still intend to donate

Thanks to the Baydon St. Nicholas school children for generously donating the remainder of 'money week' funds to the appeal

Money for old gold (and silver)

Have you still got that gold or silver item that you no longer have use for? Maybe you lost an earring or cuff link and still have the odd one.

Clearing out junk recently, I came across an old wrist watch - no fingers or winder but found that the back was gold. So I am offering this as a start to a collection of bits and pieces of gold or silver that can be sold in aid of the church roof repair. Please help if you can and contact me on 540408.

With all good wishes, *Enid*

If you feel you can help with fundraising or want to know more details please contact Baydon PCC - church@baydon.org

**Future events to look out for: 'Smartie Challenge',
Coffee mornings, Harvest Supper.**

Heads Up!

Baydon St. Nicholas CE Primary School Report

We have been extremely busy in school, during the last half term of our academic year. The weather held out for the school and church fete where we raised a fantastic £2,000. Our thanks to everyone who supported us. Our thanks also to everyone who collected Tesco and Sainsbury vouchers for us, we have purchased some Ancient Greek and Egyptian classroom activities, as well as various sports equipment.

We have said "welcome" to our new foundation year children, and other in year children who are joining us in September and a fond "farewell" to our Year 6 leavers, we wish them well with their future studies.

During July we held our "money week" where children had a bank account and could spend their £1 purchasing various activities being run at break times. The week culminated in a market stall session with children purchasing the goods they had made during craft lessons in the week. Many of the children chose to donate the remainder of their bank account money to the church roof fundraising. £87 was donated.

We also had fun week where we enjoyed many sports activities, archery, and an alien art day. The staff and children enjoyed participating in a Guinness World Record for people simultaneously dancing. Our Kingfishers class held their French Fashion Show and a mini recorder concert where they displayed their work on ancient Egypt.

The term ended with the children putting on fantastic musical productions of Joseph which were thoroughly enjoyed by parents and members of the community.

I would like to thank all of the school staff for their tremendous efforts this year and the parents and friends who have supported us in so many ways.

I wish you all a safe and happy break.

Yours with best wishes

THE QUEEN'S DIAMOND JUBILEE 2012

Village Meeting Friday 16th September

Next year Queen Elizabeth II will have been our monarch for 60 years and the weekend of 2nd to 5th June 2012 has been declared the official Jubilee weekend.

Does Baydon want to celebrate the Jubilee?

Without your help and input nothing will happen so if you'd like to see the village celebrate this once in a lifetime event then ideas and volunteers are needed.

A public meeting has been arranged for Friday 16th September 2012 at 7.45 in the school hall to discuss if and how Baydon wishes to celebrate the occasion.

Please come along and share your thoughts and ideas.

If you can't come to the meeting in September but have any ideas then please forward them to the Clerk at parishclerk@baydon.org.

Village Hedges

Recently the Parish Council have received several complaints about hedges that are hindering access to the highways and/or footpaths in Baydon. Please could all residents take time to review the hedges adjacent to their property and if necessary cut them back. The Parish Council appreciates it's not always the right season to cut hedges when complaints are received but overgrown hedges can rapidly become a nuisance to pedestrians and car drivers .

P.S Thank you to whoever trimmed the tree at the corner of Ermin Street and Aldbourne Road it was much appreciated by parents walking to school!

DOG MESS

The occurrence of dog mess being left around the village has been increasing of late. Several complaints have been received by the Parish Council.

The most recent one relates to the church yard during the routine grass mowing visit. Four piles were found on the grass area. Dogs cannot be held responsible for this. It has to be the dog owners. How unacceptable is this in a sacred place?

A pile was found on the bank outside the pedestrian gate at the school. Complaints about the state of the Cricket Field have also been received. Is it possible/likely that the Field is being used for the daily walks?

May the Parish Council again make a plea that all dog owners use the normal practice of picking up the mess in a plastic bag and depositing it in their refuse bins. Thank you.

Baydon Teens in Danger

Please be aware that canisters of nitrous oxide and balloons have been found in the cricket field in Baydon. It appears that the craze which was thought to be isolated to Marlborough town has spread further afield

The accompanying extract from the Gazette and Herald (see link below) describes the situation in Marlborough and the serious consequences are defined both in terms of health and court attendance for those apprehended.

If any parents have any information or concerns about the use of nitrous oxide in Baydon ie names of those involved, whereabouts of evidence etc they should contact the police immediately.

The cylinders of nitrous oxide.

Side effects to watch out for are dizziness, slurred speech and fits of the giggles.

This dangerous (can lead to loss of blood pressure, fainting and even heart attack), unlawful and totally irresponsible practice must cease before serious harm and/or tragedy occurs. Patrols are being made in connection with this issue, please contact Police should you find these canisters and if persons are inhaling it dial 999.

New Plastic bottle & cardboard recycling service

As you may have seen in the Coming Soon leaflet that dropped through your door in July, Wiltshire Council is introducing a new plastic bottle & cardboard recycling collection service across the county from autumn.

The new plastic bottle & cardboard recycling collection service will start at the beginning of November 2011, with new blue-lidded bins being delivered to households throughout October.

Residents will receive a leaflet & collection calendar information through the post shortly before the bins are delivered, explaining how to use the service and when to put the blue lidded bin out for collection.

Slightly different arrangements have been made for residents who live in flats, and an assessment will be carried out on each individual block of flats to determine exact bin requirements. This is explained in more detail in the information being delivered through the post before the bins arrive.

Meanwhile, for further information please visit the council's website www.wiltshire.gov.uk/waste or phone us on 0300 456 0102.

Scene Review

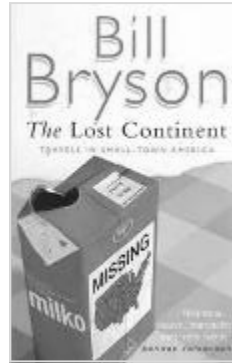

Where anyone can review books, pubs, restaurants, events, special places or pretty much anything (keep it clean!). Send your review to Editor at brydgette@email.com

This month, Tamzin Lafford has reviewed some summer reading for us:

Book Review: "The Lost Continent", by Bill Bryson.

Who else gets to earn a living selling worldwide their accounts of What I Did On My Holidays?!

I bought this book in a second-hand bookshop-cum-cafe - undoubtedly a dangerous place for my purse to be. I bought it because I've found others of Bryson's books quite interesting and informative, with a touch of his particular humour. Indeed, I don't think I'd have taken a 36 hours train trip across an Australian desert, had I not read Mr. Bryson's account in "Down Under".

Bryson took himself on two whistle-stop road trips across 38 of the American states, resulting in this very personal and subjective account, at times cheerful or moody, humorous, dismayed, awed or occasionally somewhat adolescent (for example, the description of going drinking with his brother). "The Lost Continent" contains a few eloquent, even inspiring descriptions of landscapes, towns and sights of interest, with praise for interesting and creative presentations, which recommends them to further investigation; amid other more mundane accounts. There is a gratifying horror of tat trinkets sold to tourists, and sometimes overvalued entry prices to some disappointing attractions (at least he is not writing just to please sponsors). I'm sure that not everywhere received a fair review, but then this never set out to be an impartial review of all there is to see in the US - it is no Lonely Planet Rough Guide. It is an easy read, Bryson's personal opinions, and not his best work, but there are some small gems to be gleaned. Some readers will be inspired to travel to see for themselves the breathtaking scenery; or maybe to plan their own voyage in the opposite direction! Some, no doubt, will be just as glad to stay at home.

Tamzin grew up in Baydon, attending St. Nicholas' School. Reading has been a significant pastime since childhood. Having spent years writing scientific reports in bullet-points, she ventured into more creative writing on her blog when she went travelling in 2009. Currently living and working in France, the blog has gone bilingual, although Tamzin does not vouch for the accuracy of the French.

JUNIOR GOLF

With the school holidays upon us, it is time for children to get out and about, and sample the delights of sun and fresh air, away from their computer games. Parents! Why not steer them to the nearest golf club, where a whole new sporting adventure awaits?

Many Wiltshire Golf Clubs are now GolfMark accredited – meaning they are Junior friendly and have rigorous child protection policies in place. Most offer a mixture of free, subsidised and group coaching conducted by experienced PGA Professionals – and a Junior Organiser arranges regular events through the holidays.

Many boys & girls now receive basic golf coaching at school. The Summer Holiday period is the perfect time to put that work into practice – and in an environment in which they will make quality lifetime friends while getting much needed fresh air and exercise.

For the more competitive, most clubs also arrange their Junior Open during this holiday – when many boys & girls from around the county converge on a single club for a golfing bonanza. The following selection may be useful:

Wed 3 Aug – Broome Manor
 Mon 8 Aug – West Wilts
 Wed 17 Aug - Chippenham
 Thur 18 Aug – Manor House
 Fri 19 Aug – Kingsdown
 Sat 20 Aug – The Wiltshire
 Thur 25 Aug – Bowood
 Thur 27 Oct – North Wilts.

The price for most of these is £5 – 10, including food. The EGU Golf Central website will guide you to much more information on these, as well as Entry Forms. Also, if you are away on holiday in England, the EGU Golf Central website will help you discover what is going on near your holiday destination.

With luck, you may find you have a budding Rory McIlroy on your hands. You will also be helping to keep Wiltshire at the top of the English golf tree. You might also like to try the game yourself – golf is a great family game offering real quality time together, and one of the few that you can enjoy as a player when age or injury rule out other sports. Further help on any of these matters is available from Wiltshire Golf Partnership's Development Officer, Joe Goulding, on 07789 813268 and 01249 248983 and at wiltscdo@live.co.uk

Bus to Newbury

Did you know that there is a bus that runs from Baydon to Newbury every Thursday for Market Day?

The bus is actually subsidised by West Berkshire County Council and will visit the "Sheffords" on route if requested. It also travels into Hungerford. It is unclear as to why it also comes to Baydon, but a simple phone call to **01635 582929** will ensure you a seat.

It leaves Baydon (end of Downsmead) at 10.20am and leaves Newbury at 1.40pm for the return journey.

It may not be as quick, or follow such a direct route, as in the car but it certainly beats finding a place to park – and of course it is free for those over sixty (providing you have your bus pass).

Focus On..

Gardening over the coming months

This is one of the busier times of the gardening year, especially if you're growing your own fruit and veg – hopefully you'll be harvesting bumper crops.

Top jobs for the next few months are:

- ✿ Keep on dead-heading flowering plants.
- ✿ As you harvest veg crops and empty beds, dig in any well-rotted manure or compost that you have to hand to feed the soil.
- ✿ Lawns may show signs of heat-drought now and brown patches are not uncommon. One good way to prevent this is by mowing frequently yet lightly (on quite a high setting). This allows you to leave the lawn clippings where they fall thus creating a protective water-retaining mulch to protect the grass.
- ✿ Give your hedges a final trim, ready for autumn/winter.
- ✿ Prune rambling roses once they've finished flowering and check they are properly tied in and supported.
- ✿ Prune wisterias. Ideally they need cutting twice a year: once now July/August-time and the second cut towards the end of winter in January/February-time. Cut back any new whippy fresh-green growth to about 5 or 6 leaves. Tie all loose ends in neatly to maintain form and structure. At the end of winter cut the wisteria back even more just to really tidy it up.

As ever: enjoy your garden!

Support is out there: Do you care? Help for Carers

Do you regularly help someone? Would they not be able to manage without your help? Are you not getting any pay for the work you do? The person could be a friend, a relative or a neighbour and you do not have to be living with them and caring for them 24 hours a day. Of course there are carers who do provide 24 hour care and cannot leave the house without someone else being there to care.

Washing, shopping, cleaning, help with sorting out bills, checking they are eating meals, gardening, household repairs, going in every day for a chat, making appointments and going with them, helping with tablets or other treatments. These are just some of the things carers do and often they build up slowly.

Does this sound like you? Or does it sound like someone you know? If so, you may be interested in what Carer Support Wiltshire could offer. We are a Wiltshire-wide charity supporting people who care for family members or friends. This could be looking after a young child with a learning disability, caring for an elderly spouse with dementia or helping a friend with a mental health problem, to name but a few examples.

We provide carers with confidential emotional support, access to information that can help them with their caring role, as well as opportunities for time out – social groups, pampering sessions and days out. All of our services are free to carers.

If you'd like to find out more about us, or would like to receive some information or support, please freephone us on 0800 181 4118 or visit our website at <http://www.carersinwiltshire.co.uk>

Community Speed Watch - Be involved

Baydon's Community Speedwatch (CSW) scheme has been running for 5 months now and has caught hundreds of vehicles speeding through the village.

The details of the speeding motorists have been reported to Wiltshire Police and the Police have, as a result, been in Baydon a number of times to carry out as hoc police speed checks.

The all important question? What happens to those logged as speeding? The first time they get a letter from the police. Second time they get a much sterner letter. And the third time they attract the direct attention of the police. But a prosecution cannot be based on data collected by the volunteers.

And be warned: CSW information is kept centrally at Wiltshire Police headquarters. So your 'third time' could have been logged by any one of the forty-seven active CSW schemes across the county.

If you'd like to volunteer to help Baydon's CSW, please go to www.baydon.org
More on CSW next edition.

Possible local rogue trader - warning from Wiltshire Police

A male driving a white pick-up style vehicle (possibly a Nissan) registration RK08 ARX completed hedge cutting services in Baydon recently. The male is described as being white approx 6 foot tall with dark hair in a pony tail. The male stated that he and his wife were on holiday and that he was passing through, he was a Christian and was from the Wakefield area. The male gave a quote of £130 but offered no cooling off period. The work was completed to a satisfactory standard and the residents were satisfied with it, but it is advised to be cautious of this trader
