..a bi-monthly digest of what's going on in Baydon: **Dec 17**

Hello All

If you missed the Village fireworks display you missed another real treat. Well done the fireworks Team for another epic display.

Seasons Greeting to all

Jo Cooling

Since the last Scene *Muttley* has...

... forgotten Niall's father was on the end of his lead.

Whilst on an October break in Falmouth Jim took Muttley for his morning walk and on the way back Muttley saw a cat before Jim did, gave chase and as he was on a very short lead, Jim ended up face planting on a kerb. Two hospital visits later he was patched up (there was a lot of bleeding). I am pleased to report he is now back to full fitness and he has had much sympathy from two very guilt-ridden dog owners.

And it wouldn't be a Muttley column in the Scene without a food related incident. He recently spent the afternoon in the care of a colleague and friend who took him out for a walk. She met someone she knew on her walk who was carrying two bags of shopping and stopped to chat. The top item in one bag was a custard tart bought for her mother. Lets just say the custard tart was very much enjoyed, but not by the intended recipient....

Sir Isaac Newton

A talk was given by Denys Cook on Friday 10 November in the school hall that was attended by 50 people from Baydon and surrounding villages and raised over £429. We all enjoyed this amusing and very informative evening on Sir Isaac's connection with Baydon. Denys had done a huge amount of research to find the truth, the whole truth and nothing but the truth. He told us how Sir Isaac was ranked second on a list of people who had been the most influential in history and was rated as greatest scientist of all time. Also, he read us articles written in the 1892 about the house Sir Isaac had lived in, as well as another written in 1927 in the same vein, these both turned out to be myths.

Denys kept us in suspense as to the truth and it turned out Sir Isaac did own Finches Farm house with 135 acres, but he never even visited Baydon and had bought the property to leave to relatives!

There were craft stalls, a raffle and Cheese and Wine and socialising which was thoroughly enjoyed too.

From the Minister...

One of the joys of our frequent visits to our boat in the Brecon Beacons is the way the colours of the landscape are constantly changing – from the pale shades of spring, through the bright colours of summer and the golds and oranges of autumn; the same short stretch of canal always looks different, each time we go. Now, in mid-winter, it's mostly greys and browns, though, with occasional bright flashes of new crops coming through.

So it's no wonder that in pre-tinsel, pre-plastic days, people decorated their homes and churches for Christmas using the ever-green holly and ivy that was all the colour there was to hand, to the point where red and green have really "become" the colours of Christmas.

And, as the old carol reminds us, the colours of "the holly and the ivy" remind us of the deeper meaning of Christmas underlying the present-giving, the feasting and the parties. The white of the holly blossom reminds us of the purity of the Christ Child, coming into a dark and sinful world to bring the springing green of new life. But the blood-red of the berries and the sharp prickles on the holly leaves remind us that the gift of the Christ Child at Christmas was a costly one – that the tiny defenceless baby in the manger became the man who lived and suffered and died and rose again for our sake.

We all probably know the disappointment when an expensive present that we've carefully chosen isn't valued or appreciated – or is even trashed – by the recipient. Christmas is a yearly wonderful reminder of just how much God loves us. The way we show we value that gift is to love him in return and to love one another for his sake.

That's why we buy each other presents, and get together with our friends and families to renew bonds of love and friendship, in a celebration of that love.

I wish you a Christmas filled with light and love, and New Year of peace and promise.

With love

Sue Rodd

Heads Up!

The children returned from half term to the welcome sight of their new adventure playground which has been a great success since then. It is proving to be so popular that we have had to allocate each class a day a week to play on it and it is a real pleasure to watch the children using their imagination as they run, climb, slide and jump their way up and down it! Thank you to everyone involved who helped to fundraise. It is much appreciated and makes a genuine difference to the school lives of the children.

As always, we have been very busy throughout the Autumn terms. Highlights have included our residential trip to Braeside where the children enjoyed canoeing, walking the glorious Wiltshire countryside, the very steep 'nightline', a campfire, the high ropes including the 'Leap of Faith' and, of course, time in their dormitories. Thanks to Ramsbury Estates and Action for the River Kennet, our year 3 – 5 children had a wonderful day finding out what lives in our rivers, learning about milking and visiting the Estate on the back of a very exciting trailer!

We were delighted to be the winners of the Small Schools Dodgeball Competition that we hosted at the end of September and are now looking forward to a year 4 handball tournament and a year 5 netball tournament later on this term.

Our Trinity Day, led by Reverend Sue Rodd, was a great success. Our Reception children spent their day looking for triangles in our school grounds; Goldfinches enjoying plaiting and making pictures with triangles; Skylarks created their own dance in response to the idea of the Trinity; Kites drew shamrocks explaining the trinity and decorated marshmallows on sticks to demonstrate the idea of the Trinity and our oldest children in Hawks wrote a Kenning poem and created artwork to represent the concept. It was a wonderful day and, thanks to Sue, we finished with a baptism with parents and godparents in attendance!

It was lovely to see so many guests at our Harvest lunch on Friday 13th October and our thanks to Mrs Blackwell for all that she does to make these possible.

On 7th November, our year 1 and 2 children visited Salisbury Cathedral and had an excellent day enjoying the beauty of the building (in particular the font) and learning more about Consecration crosses and the parable of the man who built his house on the sand.

It is always important for children to recognise how lucky they are and how they can support others who may not have been so fortunate. The whole school had a minute's silence on Friday 10th November which was attended by a number of prospective parents as it coincided with our Open Morning. A number of classes took the opportunity to use Remembrance Day as an inspiration for writing. At the end of last term, we held a tea party in aid of Macmillan and, on Friday 17th November, came to school dressed in spots in aid of BBC Children in Need. Thanks to all those who took part and contributed.

We have been successful in our planning permission and now hope that the works will start at the beginning of the January term. As mentioned before, the Diocese do not provide the full amount of funding so the Governors and FOBS (Friends of Baydon School) are working closely together to look at how to fundraise for the additional amount required.

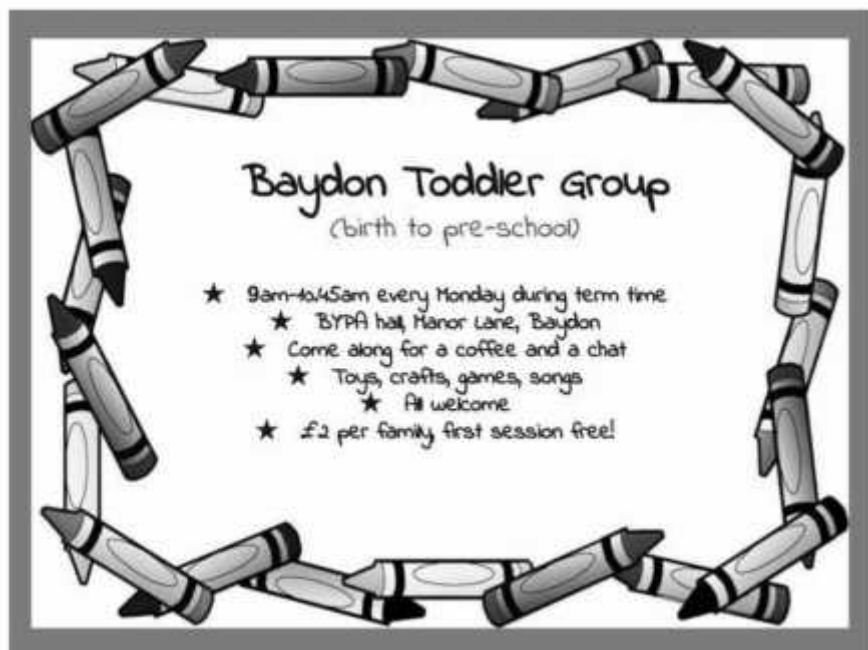

We now look forward to our Christmas festivities as well as welcoming 5 new children who join us before Christmas and hope that they will be truly happy in our school.

From the Baydon Fireworks Team...

After a wet start to the day the weather improved and was kind to us again.

Arriving at the cricket field just after 0900 hrs everyone was in their roles to create a safe evening for everyone, which includes safety fencing, lighting at the entrance and a secure bonfire.

Then the Firework Group could start to put their display together, with excitement and a few butterflies as this was going to be the first time that all the fireworks were going to be fired electrically. We finished wiring all the fireworks at about 1600 hrs, after safety checks were complete we were all set.

Darkness had fallen, the bonfire was blazing and the crowd growing and our adrenaline was pumping!!!!

The feedback we have received has been very positive and we have been told by many that it was the best display to date. We had 821 people through the gate and we have £687.37 carried forward to next year's display, thank you for your continued support and generosity.

We would like to thank all the stewards, ladies on the gate, Baydon PC, Baydon Brownies, Alan Archer, Paul Newman (PA System), Don for utilising it, Mike Hale, Alastair Wrigley, Jonathan Smith for their continued support.

“ BONFIRE REVIEW “

After the problems we have had in the past, with a little apprehension we decided to open the cricket field on certain Saturdays leading up to bonfire night, this was done so that no illegal substances were put on the fire which worked and this will be the format in the future.

Looking forward to next year already

In memory of Pam Johnson, who was at one time a member of Baydon WI (no longer in existence) we are reprinting her Apple Galette recipe, as it appeared in the Scene in Dec 2008:

Pam's Apple Galette

Pastry:

10 ozs plain flour
Pinch salt
6oz butter (or marg) chilled
1 egg yolk
2 tablespoons cold water

Method

Sift flour & salt, grate butter and rub in
Add the sugar then mix the yolk with water and add
Make a firm dough & chill for ½ hour in the fridge (or 10 mins in freezer)

Filling

1 ½ lbs bramley apples
Rind of 1 unwaxed lemon
Juice of ¼ lemon
4 ozs sultanas
3 ozs caster sugar
1 heaped teaspoon cinnamon

Method

Slice the apples into a bowl and then add all other ingredients - mix well

Flan

Grease a 9" flan tin which is about 1½ inches deep
Cut the pastry in half then roll out and line the tin with the pastry. Put in the filling and pop on the pastry lid - press well around the edges to seal
Bake at 190 c. Gas no. 5 for about 30-40 mins or until evenly golden
Take out of the oven and immediately cover the top

Topping

Heat 3 good tablespoons of apricot jam & spread with a palette knife all over the top
Have ready 3-4 ozs sifted icing sugar mixed with water so that it drizzles off the spoon easily
Drizzle over the jam right to the edges and leave until cold before turning out

Baydon Mowers On The Move

Those of us that have lived in the village since before the Millennium, may remember the early days when Baydon Mowers started in a insignificant farm building down in the dip towards the Peaks. It was Rob who started Baydon Mowers when, after four years training at Lackham Agricultural College and working at Ramsbury Manor, he realized that repairing horticultural equipment was more enjoyable and rewarding than using it. Since then the business has developed and it wasn't long after came the move to larger premises at Farncombe Farm near Lambourn which included a showroom for new machinery as well as the workshop.

Ten more years down the line and we are moving again, this time to Ogbourne George where we hope to widen our customer base by being closer to Marlborough. We have acquired new premises in Bytham Lane which we are busily fitting out to start trading by 1st January 2018.

Recently we have taken on a new mechanic, Steve who also lives in Baydon so we are truly a Baydon Built Business and we will of course retain our Baydon Mowers name. Having all of us living in the village enables us to easily support all our old customers which is vitally important to our success. We will continue to offer free collection and delivery in the Baydon area.

We would like to take this opportunity to wish you all an enjoyable Xmas and look forward to the new year when we hope to see you at our new location.

KEEP BAYDON PARISH COUNCIL GOING

Following the resignation of Tamsin Witt as Chairman, the Parish Council needs to appoint someone to take over this role. Could this be you?

Additionally, Baydon Parish Council urgently needs three Parish Councillors so that it has the required seven councillors.

The Council needs its full quorum of councillors so that it can work effectively and ensure that it represents the views of Baydon residents.

The Parish Clerk is currently investigating how long the Parish Council can operate without a Chairman and we are potentially very close to having a 'frozen' Council which would mean that YOU will have NO voice as to what happens in YOUR village.

Stand up and be counted and do your bit for Baydon and help keep the Parish Council operating as it should.

Why be a Parish Councillor?

- ♦ Positively impact the place in which you live
- ♦ Get to know a variety of different people from around the village
- ♦ Work in a team with other Cllrs who have Baydon's best interests at heart
- ♦ Take part in interesting projects that provide better facilities for Baydon
- ♦ Find and apply for external funding that can be used in the village
- ♦ Help organise and take part in village events and groups
- ♦ Experience a challenge – often dealing with opposing views from residents
- ♦ Build your skills and personal development with the variety of work that you do as a Cllr
- ♦ Do something completely different to your day job!

Please contact the Clerk at baydonparishclerk@gmail.com or call Sarah Chidgey on 07795 288302
