

Scene II

Scene in Baydon has been around since 1991 and Mo Lafford has been compiling it brilliantly all of this time. Unfortunately, Mo has had to give this up whilst she fights ill health and I jumped at the chance to keep it going.

You may spot a few changes – I'll be collating Scene in Baydon electronically so if you have something you'd like included, send it to baydonscene@email.com Of course, you can still send me hard copies – pop them through my door at 5 Manor Lane or send them through the post.

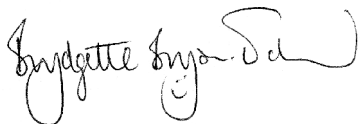

If you're a current advertiser and you'd like to send an electronic copy of your ad for inclusion, please do – but I can scan hard copies too if you don't have electronic.

And there are a group of others in Baydon who will be helping out with the publication – more about that in the next edition due out in October.

The deadline for copy and ads to the next edition is 22 September 2008.

A huge thank you to Mo and all our love for a speedy recovery!

All the very best
