Baydon Flyers tackle the cobbles in Flanders
See inside for a full report

Hello All...

It's been hailing as I've edited this edition. Lets hope there will be better weather for this year's village fete. Help still needed, see inside for more details. Lovely to see two winning posters for the fete from children, both also inside.

The Baydon flyers have been spreading their wings and took a trip to Belgium for challenging cycling over the cobbles in Flanders.

I attended the annual Village Assembly in mid-May. A great way of hearing about everything that is going on in the village

From the Minister...

The festival of Pentecost (also known as Whitsun), which we celebrated towards the end of May, reminds us of the coming of God's Spirit, turning a huddle of terrified men and women, hiding behind locked doors after Jesus' crucifixion, into people who seemed to be afraid of nothing, as they bore witness to the truth they had encountered: to the impact that the risen Jesus had had on their lives, and the strength that he could give them if they trusted him.

The following Sunday was "Trinity Sunday". Why's "Trinity" so important? It's reminding us of something really fundamental – the three different ways that Christians believe that we can encounter God. First, there's the belief that behind our wonderful universe, with all its complexity and frailty, with its beauty and intricacy and splendour and science and mathematics and music, there is a God, loving and creative, who cares about his world and the creatures that live in it, and who longs for them to respond by being loving and creative in return.

But because all that might seem too enormous, too far away and impersonal, at the right point in history God came to show us in human terms, in the way Jesus lived and died and rose again, what that means for the way we should try to live. Jesus also demonstrated in practice that God's love is limitless and generous, and that absolutely *nothing* can come between us and our Heavenly Father – unless we purposely choose to let it.

And so, thirdly – even today – God continues to work through human beings, helping them to be kinder, more loving, braver – whatever is needed, though the ups and downs of life – if they ask for his help in trying to make the world the kind of place he longs for it to be.

Happy Trinity!

With love

Heads Up!

Term Six is an extremely busy one in school with plans under way for Arts Week, Musical Week and Sports Week. We are also planning an exciting whole school trip to PGL at Liddington to try out new sports and challenges.

Elite Sports have been coaching us in a number of team sports including basketball, rounders and cricket. We have also worked with STFC, PK Tennis and Fitness for Fun during after school clubs. We are also very excited about planning our stalls for the Church and School Fete on 13th June. Any donations of good quality bric-a-brac, books, toys etc are very welcome.

We have welcomed to school Mrs Bridge as one of our Goldfinches class teacher with Mrs Christmas. Mrs Bridge brings with her a wealth of experience gained in her many years of teaching.

In school our Year 6 children have undertaken their SATS. Classes in Key Stage 1 have been studying buildings enjoying researching famous building, making models, looking at architecture and building materials. Key Stage 2 children have been studying the Eyyptians.

We will be welcoming our new Reception children to school for their induction mornings in June and saying a fond farewell to our Year 6 students at the end of term in July.

A Flyer in Flanders

Flanders, the spiritual home of cycling is an iconic destination for cyclists. The famous Spring Classics races around Oudenaarde are notorious for the unpredictable Flandrian weather and the cobbles.

The cobbles are not the genteel things found in the UK but big agricultural chunks of granite with sizeable gaps between them. Cycling over them is very hard, especially on the famous climbs.

The Flyers, Baydon's very own cycling club, decided to take on that challenge and Thursday saw five flyers jammed into a car laden with five bikes heading to Belgium.

On Friday morning The Flyers set off on the first day's 110km into Flandrian weather. After more or less managing the Pattenberg and then the Koppenberg, both cobbled and up to 22%, a café stop was well earned.

The way back required a cobbled descent of a kilometre or so. The climb up had been hard but the vibration at downhill speed was enough to cause RSI and concussion!

A visit to the cycling museum was in order followed by self medication with Belgian beer to offset the effects of the shaking.

The Saturday ride included the Iconic Muur van Geraardsbergen (21%). Muur means wall! However we made it to the top for a team picture next to the famous chapel.

Saturday's celebration dinner was excellent Belgian Blue steak.

Sunday saw a brief ride to recap some of the nearby climbs and then it was back to Blighty for five Baydon Flyers with tired legs!

Marlborough Open Gardens will take place this year on Sunday 14 June from 2pm to 6pm.

Stroll around Marlborough and visit 12 lovely gardens and have a delicious tea available from 3pm to 6pm.

Tickets £5 in advance from The Merchant's House or £6 on the day, £3 for teas.
All in aid of The Merchant's House Appeal.

The Spring collection for Baydon amounted to **£197.09**, which was slightly larger than the Autumn collection. Many thanks once again to all the box holders for their generous contributions. They really do help keep the Hospice running, with the total box collections in the area raising tens of thousands of pounds each year.

CAN YOU HELP?

I have been organising the box collections in
Baydon since taking over from Edith and John
Hollander in 1999. With knee and hip operations in
early 2004 and 2006 I am now finding it harder to do
these collections, and would love to find someone to take over from me. It is not too
onerous as the job consists of collecting the 23 boxes twice a year (Spring and Autumn),
counting the money and sending a cheque off to Prospect. Someone who likes walking
or jogging could do it when they were out and about. Please contact me on 540283 if
you are interested. If no one comes forward I shall be making the last collection this
September.

Baydon Village Plan 2009 - The update!

In 2009 the Baydon Village Plan Steering Group, made up of Baydon volunteers, produced a report from a questionnaire they distributed to all houses in the village. The report provided a lot of very useful information about the concerns and priorities of people living in Baydon, with the top 4 priorities being:

- Address Road safety, speeding traffic and bad parking
- Build a play area and/ or all weather surface in the village
- Improve the BYPA Hall or build a new village hall
- Support the local facilities so we don't lose them – the shop and post office, pub, church and school

Would you be interested in joining a new Steering Group to review and update Baydon's Village Plan? If so, please email ParishClerk@baydon.org or come along to the Parish Assembly, when the Village Plan update will be discussed.

Become an ambassador for your local carer's charity!

Do you live in a place that likes to look
after the local community?

Would you like to help make a difference
to the lives of unpaid carers?

Carer Support Wiltshire are looking for volunteers to become local carer ambassadors to help Carer Support Wiltshire support more people providing unpaid care and support to a family member or friend.

Have you noticed that your neighbour is looking after their spouse or partner? Perhaps you have seen someone in your local community who is having to provide extra care for their son or daughter? It may even be you that is going that extra mile to make sure a relative, friend or neighbour is safe.

Our charity provides free support to people all over Wiltshire but our beautiful county is so large that we struggle to let everyone know that we exist. That's where you come in – you can help us raise our profile in your local parish.

Here are a few ways you could help:

- Contribute a regular article/column to your parish newsletter (like this one!)
- Put up promotional posters in your local village hall, shops or noticeboards
- Attend a local carers café to help provide social support for carers
- Link-up with local village events to tell people more about us.

You can give as little or as much time as you can. We really value our volunteers and we offer social events, access to training for your role and reimburse your out of pocket expenses.

If you could help us reach more of the carers living in your area, please give Alan Docherty at Carer Support Wiltshire a call on 01380 871690, or email info@carersinwiltshire.co.uk.

Village History

Russley Park, Wiltshire: Horses' Remount Depot Staffed Entirely by Women

As part of the BBC's World War I at home series last year, an article was broadcast radio about the Remount Depot at Russley Park.

Mike Ball summarises the article here. You can still hear the full <http://www.bbc.co.uk/programmes/p01qt>

(The above photo is from a collection at the Imperial War Mus

Around a million horses were bought by Britain for military use during WW1. To supply that number, horses had to be brought to the UK to supplement what could be found here.

In any transport system involving animals, steps have to be taken to care for them, and make them ready for the next leg of their journey. Or, equally, injured horses would need treatment and care before being returned to the front. That's where Remount Depots come in. The term, 'Remount', comes from the perspective of the eventual rider for the horse. This would be a 'remount' for the new rider.

In Wiltshire, the all-female depot at Russley Park near Baydon, played a vital role in supplying horses for the front. "Russley Park is an unusual example", according to Dr Graham Winton who's researched the use of horses during WW1. "It was used really for the rehabilitation of officers' horses, around a hundred of them. The horses here would have been very fine animals indeed."

The fact that it was run by a staff of women was something of a jaw-dropper to Edwardian sensibilities and worth a report by the Times newspaper in December 1915. The article noted that the women were all from nearby Hunts and were "ladies with a practical knowledge of horses", who could "turn that knowledge to good account".

Bus to Newbury

Did you know that there is a bus that runs from Baydon to Newbury at 10.18 am every Saturday?

It is now a regular service so **no need to book**

The bus will leave Baydon (bus stop on Aldbourne Road) at around 10.18 am and take a slightly different route to Newbury.

It leaves Newbury at 1.30 pm for the return journey.

It may not be as quick, or follow such a direct route, as in the car but it certainly beats finding a place to park – and of course it is free for those over sixty (providing you have your bus pass).

“Cheaper by the Dozen”

by Frank B. Gilbreth, Jr. and Ernestine Gilbreth Carey.

Frank B. Gilbreth, Jr. and Ernestine Gilbreth Carey recount their childhood, growing up in a family of twelve children, headed by parents Lillian Moller Gilbreth and Frank Bunker Gilbreth. You might suppose that such a family would have to be either chaotic and stressful, or run with rigid military discipline, but the Gilbreths seem to have managed it all with (mostly) calm competence and good humour. Can you imagine taking seven children on a cross-country train trip lasting several days? The children seem to have grown up well-balanced, fun,

responsible, loving, intelligent and capable, with space to develop themselves as well as having clear boundaries, goals and expectations regarding their behaviour and their contributions to the family.

Frank and Lillian Gilbreth were pioneers in the field of motion study and efficiency. When Frank died at 56, Lillian took on the mantle. They were also very keen on educating their children, not only to advance them in subjects taught at school but in more wide-ranging skills. Maths games at the dinner table resulted in the three-year-old knowing his 17 times table by overhearing what the others were doing. One summer, the Morse alphabet was painted all over the house, along with mnemonics to help learn it and “secret” messages leading the decoder to find some little prize. A “family council” discussed issues and a “purchasing committee” decided what to buy and found the best deal. Shirts are faster buttoned bottom to top than the other way around.

I found the book enjoyable and thought-provoking.

Marlborough Open Studios- 20th Anniversary

Two local artists —Sue Lashmar and Kareen Jackson have their studios open in July. Here are some words from each of them

Summer is approaching and that means Open Studios season too!

Marlborough Open Studios is a scheme that encourages people to visit artists/craftmakers in their studios to see how they work, ask questions and maybe buy their work directly at non-gallery prices.

This is a special year, as it is the 20th Anniversary since it's start. We have 10 new artists showing 60 in total, some internationally renowned and MOS is considered to be one of the best OS schemes in the country due to the quality of work on show.

I get great pleasure in showing my work to visitors and feel privileged to work in such a lovely setting! Let's face it Baydon is one of the best villages in Wiltshire!

So please come and visit my studio at Dacre, Manor Lane, to see the passion I have for my work. I love glass, colour, pattern and jewellery – you can see all of the above in abundance! Please have a look at my

website: www.suelashmar.co.uk to get an idea of the things I make.

You'll get a warm welcome, plenty to see, no obligation to buy and some home-made refreshments!

The dates this year are: 4/5, 11/12, 18/19 and 25/26 July- just check the brochure for individual opening times as some artists don't open every day. Brochures will be available from Baydon shop or outside my house from early June. Or check out www.marlboroughopenstudios.co.uk for more information

Looking forward to seeing you!

Sue Lashmar x

Little Bird Studio will be open every weekend in July between 11am and 5pm. We are also happy to open during the week by appointment.

Kareen uses mixed media to create vibrant and colourful images inspired by the Wiltshire landscape surrounding her studio. Her art is both evocative and engaging. This year's collection includes a large selection of unique handcrafted driftwood boats and lighthouses.

Tea, coffee, cake and a warm welcome are guaranteed.

Children are most welcome, we have activities and a garden for them to play in.
