

Baydon St Nicholas School "Building for the Future"

Photo Competition

Why not enter our illustrious photo competition?

The local scenery could not be more inviting at either this time of the year or into spring, the closing date is 31st March so you have lots of time to get that 'special shot'

The winning photos will be used for school Christmas cards in 2010

Age categories are under 11, under 16 and over 16

Entries cost £2.00 per photo and you can enter as many photos as you like.

All entries should be in an envelope clearly marked with the name, age group and number of photos. Entries should be posted in a box marked Photo Competition in the village shop.

Judging will be by the Fund Raising Committee.

Thank you for your support, good luck and happy snapping.
