

BAYDON THURSDAY CLUB

Despite static membership numbers, currently 22 ,the Club continues to function well .We had just two coach outings last year due to the cost of the coach. These were mystery trips -one to Lechlade area and one to Glebe House near Seend,each finishing with a delicious cream tea, and there were the usual trips to local hostelrys for lunch culminating in a good Xmas lunch at the Village Inn.

Our Autumn Auction raised £54 for our funds but the most successful fund raising event was a coffee morning organised by Clifford Cowles and his family at Tubbs Farm which resulted in a remarkable £300 profit-grateful thanks to Cliff for all his work.

The indoors meetings programme brought a variety of speakers to talk on such subjects as -antique jewellery WW1 RSPB & the Lake District.& there were the usual excellent quizzes.

We feel that for such a small club we managed to produce a programme to suit most tastes.
