

WAGTAILS EXPRESS

WINTER 2009

CLUB COUNCIL

We are starting a Club Council which will include children elected by the other and who will represent the others. They will have an input into the direction that the Club will take. We feel it is important to include the children in this, as after all it is their Breakfast and After School Club.

WANTED

We are still looking for any old plain bed sheets that you may have so we can use them for tent/shelter making. Also we would like to create a Dressing Up Box for the children. So please have a sort out.

IMPORTANT NOTICE

The numbers are steadily increasing in both the Breakfast Club and the After School Club, and it would assist us greatly if you could pre-book your children into the sessions you require. Please contact Wagtail Staff, rather than the Office, and also if you wish to cancel a session please let us have 48 hours notice, other than in case of sickness, or you may be charged for the session. Your co-operation in this would be greatly appreciated

HEALTHY EATING

We are attempting to provide a healthy eating option at tea time, and a menu can be seen on the Notice Board. The menu covers the next two weeks. We are continuing to provide a variety of food choices. Some of the items introduced have been greatly enjoyed by the children. For example home made soups and pasta dishes. We would appreciate your input and comments in order to improve the service.
